

CDE REPORT

TOPIC	Children Oral Health Awareness week
DEPARTMENT	DEPARTMENT OF PEDIATRIC AND PREVENTIVE DENTISTRY
DATE	23-11-2023 to 30-11-2023
ATENDEES	Post Graduates, Under Graduates, school children

Brief /Summary about Topic and Speaker

Institute of Dental Studies and Technologies, Department of Pediatric and Preventive Dentistry under the aegis of Indian Society of Pedodontics and Preventive Dentistry has cheerfully celebrated the Children's oral Health Awareness week from 23-11-2023 to 30-11-2023. The programme was an enlightening source of learning, awareness and motivation for the students and faculty.

Along with the activities of the college itself, we shortlisted 4 schools 2 underprivileged (**Prince Public School, Bal Upavan school**), 1 privileged (**Delhi Public School, Modinagar**) and 1 playschool (**Shiva Convent school**) for the celebration of the children's week. A series of event was planned for these schools which included

- Providing educational presentations that included the basics of oral hygiene care
- Handmade Prop based activities for enhanced teaching learning experience
- Mouth rinsing program for inculcating a daily routine in the lifestyle of the students for proper maintenance of oral hygiene
- Quiz and questionnaires for the teachers of the various schools and UG students of our college to evaluate the basic understanding of their knowledge towards oral hygiene maintenance followed by distribution of certificates to boost up their morale.
- Nukkad Natak for the better ability of the participating audience to perceive what they have been taught.
- A special talk for the mothers as part of "**any other activity**" in which they were educated about infant oral health care, Dental Home and Anticipatory guidance followed by a quiz for them.
- Pamphlets distribution to create awareness and memorize the basic points every time
- Toothbrush and toothpaste distribution as token of love and appreciation for all
- A poster handover to the principal of the school for daily motivation of the

REPORT

Under the guardianship of Respected Dr. Vikram Gandhi Sir (Secretary, DMET) and Principal Dr. Nidhi Agarwal, International Day of Radiology was celebrated by the Department of Oral Medicine and Radiology, at Institute of Dental Studies & Technologies on 8th November, 2023.

On this occasion, numerous activities, like slogan writing, poster making and quiz competition were organised for undergraduate students to break the monotony which saw an enthusiastic response of over 77 participants.

The celebration was followed by Cake Cutting under the presence of respected Head of the Departments and all other department faculty members.

The event was concluded by certificate and prize distribution to the respective winners in each category.

The Department of Oral Medicine and Radiology under the leadership of Dr. Deepankar Misra is thankful and obliged to the management for giving us the opportunity and supporting us in all endeavors.

Venue	In front lawn of Institute Of Dental Studies

Brief Summary

The **Department of Public Health Dentistry** celebrated World Environment Day on 5th June 2023 to raise awareness of the value of trees in the environment. As healthcare workers, we must prioritize becoming green and maintaining a clean environment. This little action will help raise awareness of the value of our clean environment. Therefore, in order to inspire students, we held a plantation drive on the Institute's lawn.

Topic	World oral health Day
Event	Oral health awareness to the patients attending dental camp at Tibra road, Modinagar
Department	Public Health Dentistry, IDST, Modinagar
Date	14/03/2024 to 21/03/2024
Time	10:00 AM – 2:30PM
Beneficiaries	510
Venue	Adopted Villages of IDST, Modinagar

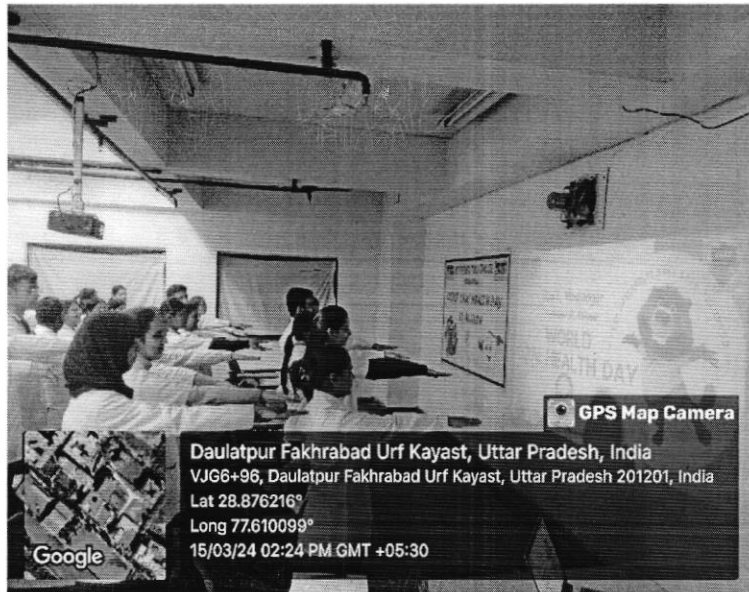

Brief Summary

The Department of Public Health Dentistry celebrated World Oral Health Day as a week long celebration from 14th March 2024 to 21st March 2024 to educate the public in our adopted villages about the importance of oral health, various oral health conditions, how to prevent them and to teach proper toothbrushing methods to the people in the community. Also, BDS first year students were sensitised regarding the importance of oral health.

1. Oral health screening camp was conducted at adopted villages to assess the oral health of the villagers and also to provide preventive treatment. All those requiring curative treatment were referred to the college and free dental treatment was provided on that day to promote oral health.
2. Toothpastes and toothbrushes were distributed to all the patients attending the dental camps.
3. Tooth brushing technique was demonstrated to all the patients.
4. Later, imitation of tooth brushing technique was done by the patients attending the dental camps.
5. A lecture on Importance of oral health was taken for BDS first year students on 15th March 2024 at 2 pm.

Topic	WORLD NO TOBACCO DAY
Event	IDST, Modinagar Celebrates World No Tobacco Day 2024 with COTPA Section 4 and 6 Implementation and Short Film Release
Department	Public Health Dentistry, IDST, MODINAGAR
Date	31 st May 2024
Time	9:00 a.m to 1:30 p.m
Attendees	Participants from IDST Hospital Opd and students
Venue	Institute Of Dental Studies & Technologies

Brief Summary

The Department of Public Health Dentistry celebrated World No Tobacco Day on May 31, is a global initiative led by the World Health Organization (WHO) to raise awareness about the devastating health, social, and environmental impacts of tobacco use. The day serves as a platform to advocate for effective policies to reduce tobacco consumption and to educate people on the risks associated with tobacco.

Key Highlights of the Celebration were:

- COTPA Implementation:** The institute proudly announced the full implementation of the Cigarettes and Other Tobacco Products Act (COTPA) on campus.
- Short Film Release:** A highlight of the event was the premiere of a short film titled "Breathe Free," created by the talented students of [Educational Institute Name]. The film, which was met with widespread acclaim, depicts the adverse effects of tobacco use and the journey of individuals striving to overcome addiction. It serves as a powerful educational tool aimed at discouraging tobacco use among youth.
- Interactive Sessions:** The celebrations included interactive awareness sessions conducted by anti-tobacco experts. These sessions focused on the health risks associated with tobacco use, strategies for quitting, and the role of individuals in creating a tobacco-free society.
- Pledge Ceremony:** Attendees participated in a pledge ceremony, vowing to support tobacco-free initiatives and encouraging their peers to make healthier lifestyle choices. This collective commitment underscored the institute's dedication to combating tobacco use.

SUMMARY

Under the flagship of Dr Vikram Gandhi, Secretary, DMET and Dr Nidhi Aggarwal, Principal IDST, Department of Periodontology in association with Indian Society of Periodontology is conducting a TWO month Oral Health awareness drive with the theme “Say No to Bleeding Gums- A Pink Health Initiative”.

As a part of this drive, “**National Periodontist Day**” was celebrated on **23rd February 2024**, wherein Dr. Manish Khatri (Professor & Head) and Dr. Mansi Bansal (Professor) inculcated the knowledge about the importance of gum health to the students and general population.

The event along with few competitions were fastidiously planned and executed by **Dr Manish Khatri**, Vice Principal (Administration), Professor & Head of Department and his team members, **Dr Mansi Bansal** (Professor), **Dr. Narender Yadav**, **Dr Mohd Rehan** (Readers), **Dr Sakshi Gaiind**, **Dr Pratiksha Tripathi** (Senior Lecturers), Post Graduate students and Interns of the Department of Periodontology.

The events included:

1. Nukkad Natak presentation by Postgraduate students of Department of Periodontology on awareness about role of oral and gum health on general health of an individual.
2. Slogan Writing competition.
3. Video Reel Competition.
4. Free dental health screening.
5. Free distribution of toothpastes and toothbrushes.

There was an enthusiastic participation from all Heads and faculty members of the various other Departments, Postgraduate students, Interns and Undergraduate Students of the Institute.
