

INSTITUTE OF DENTAL STUDIES & TECHNOLOGIES

From Office of the Principal

Annual Gender Sensitization Action Plan

Institute of Dental Studies & Technologies gives prime importance in providing an environment where both male & female gender can work together with a sense of dignity. For this purpose, institute has developed Annual Gender Sensitization Action Plan which is executed by following steps:

- Conduct of Gender sensitization Programmes for all staff and students to develop leadership skills and to promote women's sense of self-worth, their ability to determine their own choices, and their right to influence social change for themselves and others.
- To help men/women to become aware of the importance of good health, nutrition, hygiene and facilities available to them in the institution.
- To promote a culture of respect and equality for both male & female gender through active participation in culture and sports programme.
- To educate both male and female students on gender specific health issues and measures to be taken.
- To enable the college community to understand the role of both males and females to develop a holistic, integrated and a well-balanced personality.
