

LETTER OF APPRECIATION

To,

The Principal
Institute of Dental Studies & Technologies(IDST)
Kadradabad, Modinagar, U.P.

Respected Ma'am,

We appreciate the industrial visit of the faculty and post graduate students of your Institute at the i- fix implant facility, Faridabad on 11/04/2023.

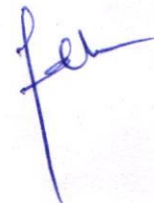

Hope that we were able to fulfill your objective of learning and understanding the process of implant manufacturing.

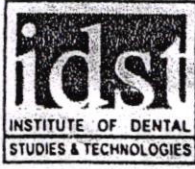

Looking forward for more of such educational visits.

Best wishes

Dr Mohammad Shahnawaz
(Training & Technical Manager)

AGREEMENT OF UNDERSTANDING

This agreement of understanding is signed between Institute of Dental Studies & Technologies, Modinagar represented by its representative by its Secretary DMET Dr. Vikram Gandhi & Principal IDST Dr. Nidhi Agarwal and International Academy of Advanced Clinical Dentistry by its Vice President Dr. Ajit Singh Rathore & Secretary Dr. Praful Mehra, on this day 14th April, 2023 at IDST campus.

Proposal for Preclinical Oral Implantology Program 2023 for BDS Final Year students

IAACD has been in forefront in offering Advanced Dental Education to Undergraduates, Postgraduates and Private practitioners in India through our extensive partnership with Universities and Dental colleges across India.

Commitments from International Academy of Advanced Clinical Dentistry:

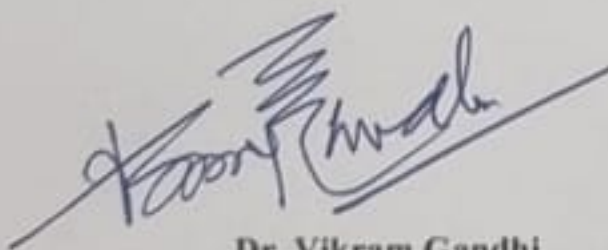

- IAACD would like to be IDST's principle education partner to offer training to undergraduates & postgraduates. The certificate will be issued by the college with IDST & IAACD logo will be provided to the students.
- IAACD will conduct a 2-month long **Preclinical Implantology Program** for IDST students with a tailor-made curriculum.
- This Course will have 3 Modules (1 day each), which will incorporate basics to hands-on surgical training in Implants surgical techniques.
- All 3 modules will be organized in IDST Campus with the involvement of reputed national speakers as faculty..
- IAACD will provide the teaching materials and demo units for all these modules.

Commitments from I.D.S.T.:

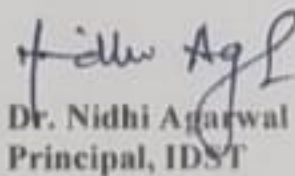

- The college will approve our teaching proposal with necessary amendments, mutually agreed upon by both of us.
- As part of the Course, each student is expected to learn and perform preclinical exercises on models under the supervision of the faculty, in all the modules.
- IAACD will charge Rs 60000/- net as fees for speakers and demo units. Payment of 50% will be made after completion of 1st Module. The balance payment will be paid at the commencement of 3rd module.

Commitments from the Students:

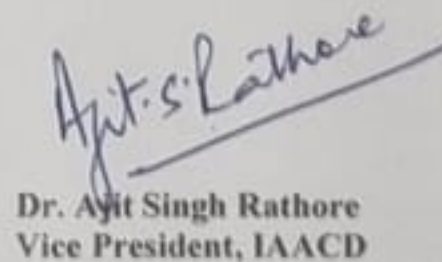

- Students will formally register to this program as per the college guidelines.
- Each registered student will be attending didactic lectures, observe demonstrations & perform preclinical hands-on exercises.
