

STRATEGIC PLAN

The Strategic Plan of the college for the period of last 5 years comprises of the following dimensions.

1. Ranking and Accreditation.
2. Most Preferred Dental Institution,
3. Student In-take.
4. Student Participation and Accolades.
5. Faculty Augmentation and Intellectual Output in Research & Publication,
- 6 Academic goals.

IDST desires to accomplish as the most desired dental education for teaching & learning, research & publication. In order to achieve this, the performance of IDST has to be assessed rated and recognized by government agencies like NAAC & NIRF etc. The ranking by National Institute of Ranking Network (NIRF) is of paramount importance in this regard since the institution intention is to be among the top 100 dental institution on pan-India. Similarly, the institution will be submitting itself for assessment and accreditation by NAAC.

IDST preparation to global by offering dental programs to applicants from other countries by offering world class dental education and efforts are expected to bear fruits in the next few years. IDST is stepping up its infrastructure to cater to the increased demand for BDS and MDS programs and this pave way for increase in-take. IDST constant effort of motivating students to participate in various competitions in academic, cultural and sports at the national level, since this is bound to increase the visibility of IDST. Faculty are encouraged to increase their intellectual output through research and this is evidenced by their involvement in research work.
