ACTION TAKEN REPORT ON FEEDBACK FORMS

BDS STUDENTS

The feedback forms were distributed among the BDS students and mainly concentrated on theory courses taking into account the punctuality, communication skills, and organization interest on part of the staff. Most of the students have marked it as good to most acceptable. The feedback forms also evaluated the labs/clinics/ patients and here also students found it acceptable.

MDS STUDENTS

The feedback forms were distributed among the MDS students and mainly concentrated on theory courses with respect to their punctuality, communication skills, and organization interest on part of the staff. The most common responses were recorded as good to most acceptable. The feedback forms also evaluated the labs/clinics/ patients and here also students found it as most acceptable.

ALUMNI

The feedback forms discussing the undergraduate and postgraduate curriculum were filled out by the alumni (both BDS and MDS) visiting the campus. Most of the alumni were satisfied with the structure, problem-based learning, knowledge of dentistry, and design of the curriculum.

FACULTY

The feedback forms were distributed among all the cadres of the faculty discussing the undergraduate and postgraduate curriculum in detail. Most of the faculty found the structure, problem-based learning, knowledge of dentistry, and design of the curriculum from good to excellent.

ACTION TAKEN

The feedback forms were distributed amongst the undergraduate and postgraduate students assessing the theory classes, labs/clinics, and the assessment was found to be good to be acceptable. Few suggestions given by students were taken into account. Similarly, the assessment of faculty forms revealed the curriculum to be good. It was decided to review again after full implementation of LMS. Few suggestions like an increase in patient/ clinical work were taken into account. The same was discussed with the management and it was decided to increase the number of medical and dental camps, increase the number of visits of buses to near by villages for pick and drop facility of patients.
